Did You Know the
following about the
University of Kansas?

Athletic Director Lew Perkins will earn a base salary of \$479,290 in 2007-2008 equal to the tuition and fees of 75 in-state undergraduates.

KU raised its tuition 131% from 2001-2002 to 2006-2007, making an education at the University unattainable for more prospective students and driving current students deeper into debt.

The University
of Kansas
Geography
department
recently
received a
\$500,000

grant from the U.S. Department of Defense to map indigenous community-held lands in southern Mexico.

KU has a ten-year, \$35.7 million contract with Coca-Cola, whose human rights abuses have spurred 70 U.S. universities to suspend their contracts.

KU has a multi-million dollar contract with one of the
Most Wanted Corporate
Human Rights Violators

Chevron

The Chevron logo, consisting of two downward-pointing chevrons stacked vertically.
